VIA TELEPHONE – During Promotional Periods, 9am to 5pm Central Monday through Friday, a cue to call will be announced hourly between the hours of 9am and 5pm Central Monday through Friday. Contestants will dial 210-470-5225. The designated caller number will be selected to play the Promotion. Contestant(s) will be given the opportunity to match exactly a predetermined five (5) digit number combination which has been pre-programmed into the “Crack the Vault” website provided by Interactive Promotions Group. Any contestant who correctly matches the predetermined winning combination, which is on file at Interactive Promotions Group, will be awarded the most recent announced Jack’s Jackpot amount. If caller does not match the five (5) digit number combination, they will be told so over the phone and will be eligible to continue to participate in the promotion. Every hour there is not a match of the five (5) digit number combination; the station will increase the jackpot amount at its own discretion.

At the time of their call entrants must provide all requested information, including their first and last name, complete postal address (street, city, state, and zip code), email address, telephone number, and date of birth. Use of any device to automate entry is prohibited. Proof of submission of an entry shall not be deemed proof of receipt by Station. The contest/sweepstakes administrator’s telephone system is the official time keeping device for the Promotion.

No contestant may submit more than one (1) entry per contest episode. (ie. The 9am contest play is a contest episode in of itself and separate from all other hours of the days play)

5. Prizes: Jack’s current Jackpot amount as announced at the time of the current contest episode, not to exceed One Hundred Thousand Dollars (\$100,000.00), at the time of a contestant matching exactly a predetermined five (5) digit number combination which has been pre-programmed into the “Crack the Vault” website provided by Interactive Promotions Group.

Jack’s current Jackpot amount, as announced in the hour prior to a winning hour, is the amount that will be awarded upon a contestant matching exactly a predetermined five (5) digit number combination which has been pre-programmed into the “Crack the Vault” website provided by Interactive Promotions Group.

6. Odds of Winning:

Odds of winning are 1 in 100,000.

Caller must clearly state their 5 digit number combination choice. The JACK employee will enter the code into the computer program. The program will either state “WINNER” or “NOT A WINNER”. If the screen says “WINNER”, JACK employee will gather the contestant’s information, contact Insurance company and await further instructions.

7. Winner Selection and Notification:

Decisions of Station management with respect to the Promotion are final.

Winners will be notified immediately depending on if they chose the winning 5 digit number combination. The contest program will notify the JACK employee in the studio immediately by stating on the screen "NOT A WINNER" or "WINNER".

Any attempt by an entrant or any person to deliberately damage any station website, Facebook Page, and/or any other social networking site used in the Promotion or to undermine the legitimate operation of this Promotion may be a violation of criminal and civil laws. Should such an attempt be made, the Alpha reserves the right to seek full prosecution and/or damages from any such individual to the fullest extent permitted by law. The station's failure to enforce any term of these Official Rules shall not constitute a waiver of this provision. If due to circumstances beyond the control of the station conducting the Promotion, any competition or prize-related event or travel is delayed, rescheduled, postponed or cancelled, the station reserves the right, but not the obligation, to modify, terminate, suspend or cancel the Promotion and shall not be required to award a substitute prize.
